Intersecting figure
8

Intersecting figure
8

Finish intersecting
figure 8, Leave in pairs
on the centerline

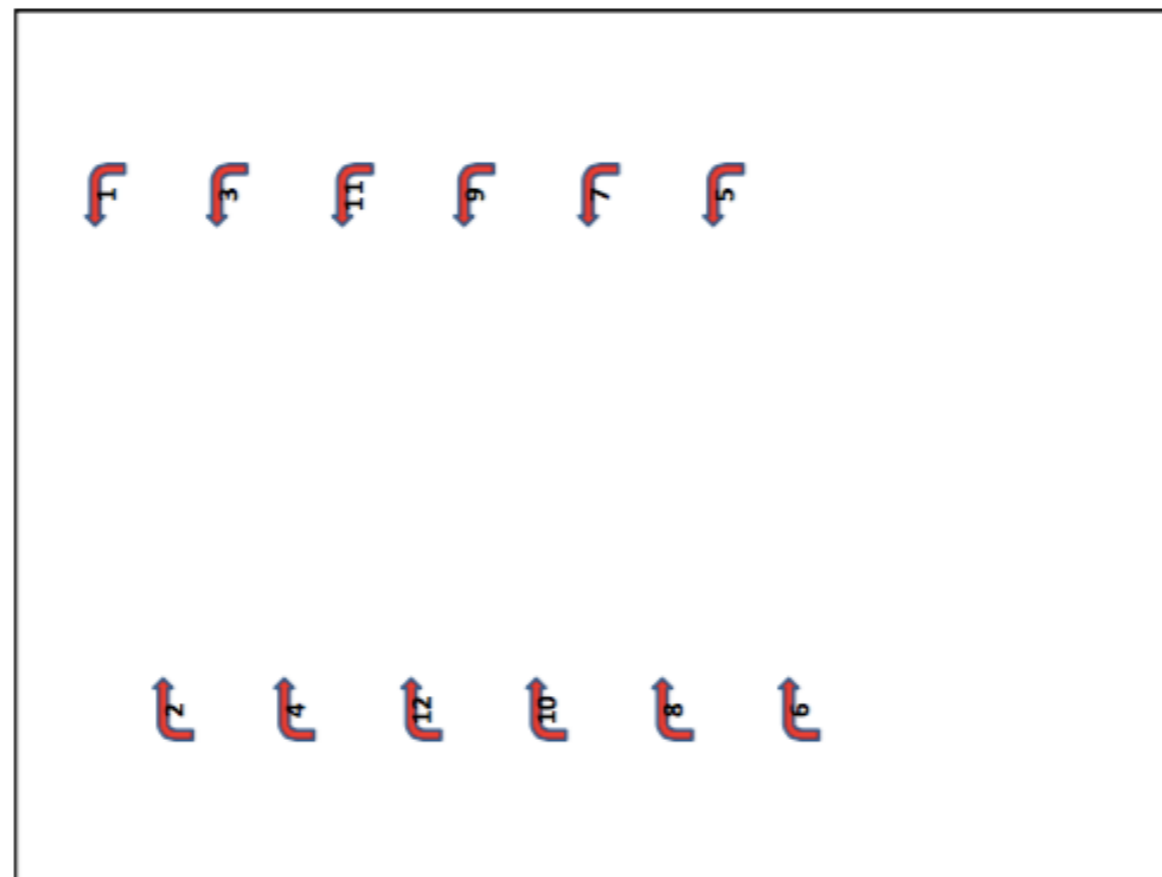

At the end of the arena, split pairs and follow along the rail

“Follow the leader”
along the rail

Intersection on the
centerline

Intersection on the
centerline

Intersection on the centerline

After intersection, turn on the rail

“Follow the leader” on the rail until the next intersection

Intersection on the centerline

Intersection on the centerline

Intersection on the centerline. Start crocodile jaw maneuver, horses 1 and 2 pivot while horses 5 and 6 speed up

Keep pivoting for crocodile jaws, keep your spacing and watch the outside horses 5 and 6

Another crocodile jaws intersection. Now horses 5 and 6 are the pivoting horses while horses 1 and 2 speed up

Pivoting for a crocodile jaws intersection

Another crocodile jaws intersection. Horses 5 and 6 are still pivoting while horses 1 and 2 are on the outside of the lines

Continue after
the intersection

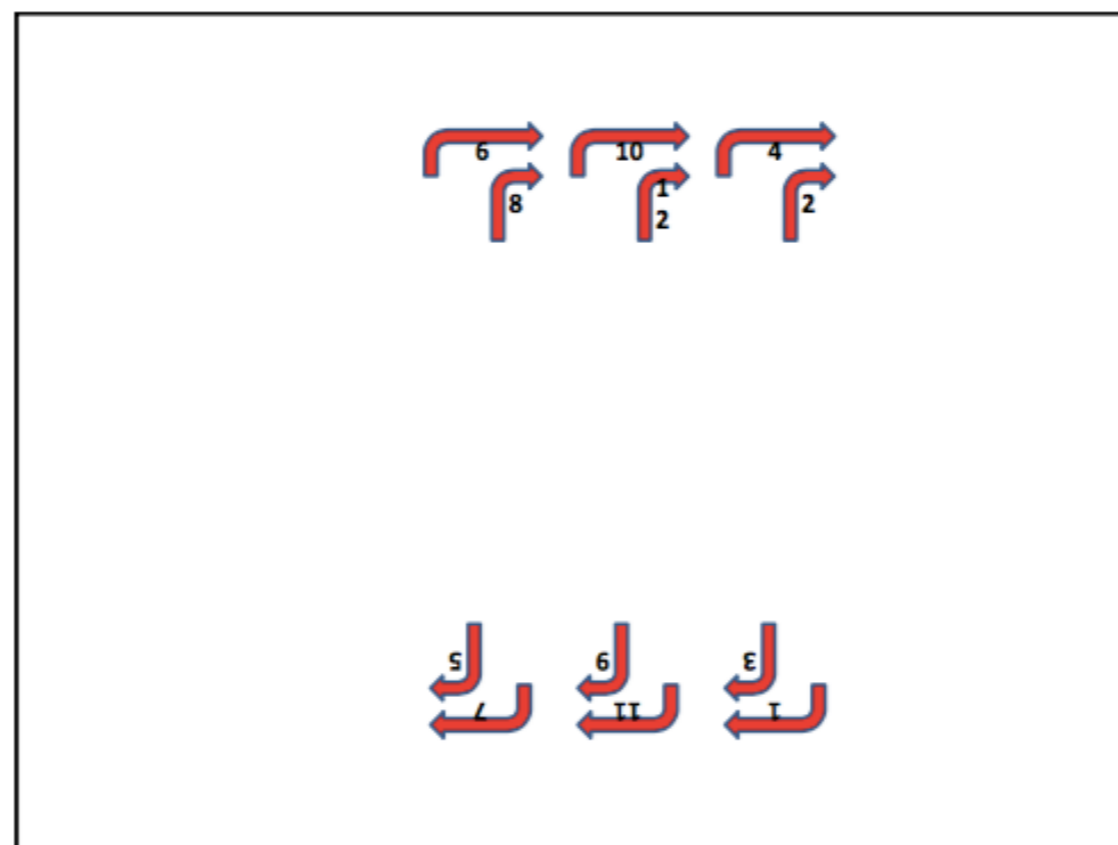

One more
intersection,
however don't
spin around just
keep going
straight

Keep going to the rail after the intersection

Pair up with the horse next to you, turn right on to the rail

Continue with
your pair on the
rail

Cross on the
diagonal for
weaving. Leave
lots of space from
the horse ahead
of you(21 feet)

Weaving

Weaving

Weaving

Weaving

After weaving,
follow the pairs
ahead of you.
Catch up if you are
not 8 feet from the
horse ahead of you

Keep following
the pairs ahead
of you

Turn on the
centerline

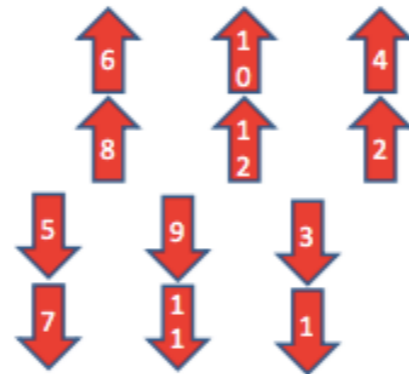

Be ready for Do
Si Do

Do Si Do. Every horse turns left

Leave Do Si Do

Turn left and partner up with the horse behind you. Form the Great Circle

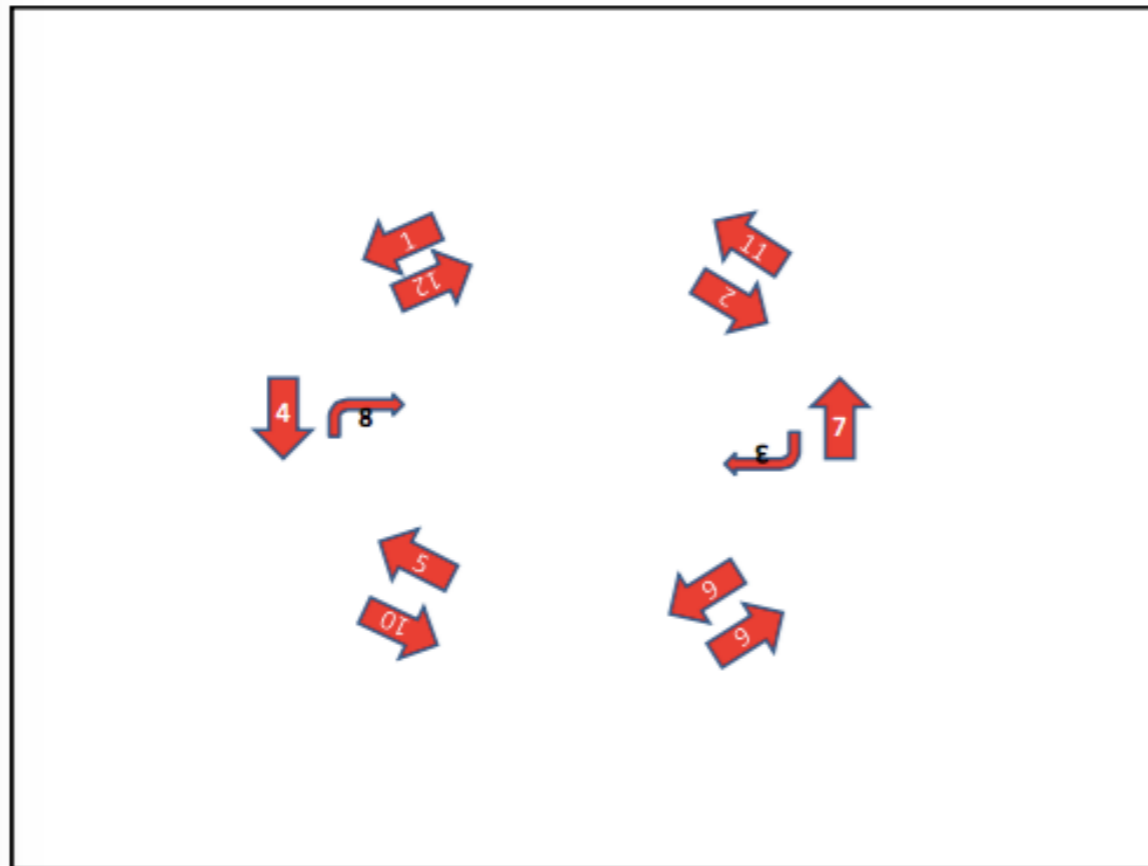

Inside horses of the circle turn 180° to form a smaller circle going the opposite direction. Outside horses keep going

Continue on the circle

Horses 3 and 8 turn in and start the pivot for the giant pinwheel. Other inside horses follow the horse ahead of you and ripple in next to them

Inside horses
continue
pivoting. Outside
horses keep
going on the
outside circle

Inside horses
continue
pivoting. Outside
horses keep
going on the
outside circle

Outside horses 10 and 11 turn onto the inside horses by making a 180° turn. Make sure to plan your turn ahead of time

Other outside horses turn in on the opposite line as the horse ahead of you turned onto

Other outside horses turn in on the opposite line as the horse ahead of you turned onto

Other outside horses turn in on the opposite line as the horse ahead of you turned onto

GIANT

PINWHEEL

Outside 3 horses
from each side,
spin around the
other line.

Outside 3 horses
from each side,
spin around the
other line

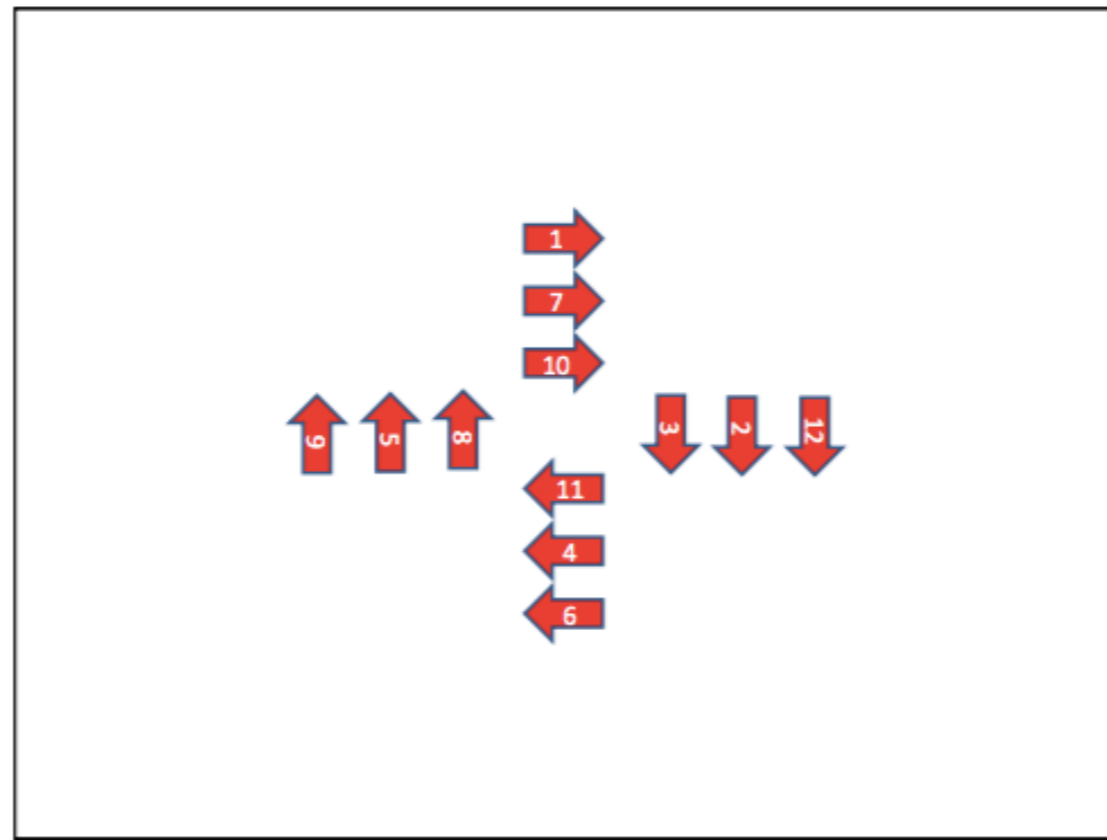

Outside 3 horses from each side, spin around the other line. Turn in to form a 4 spoke pinwheel

4 Spoke Pinwheel

4 Spoke
Pinwheel

4 Spoke
Pinwheel

4 Spoke
Pinwheel

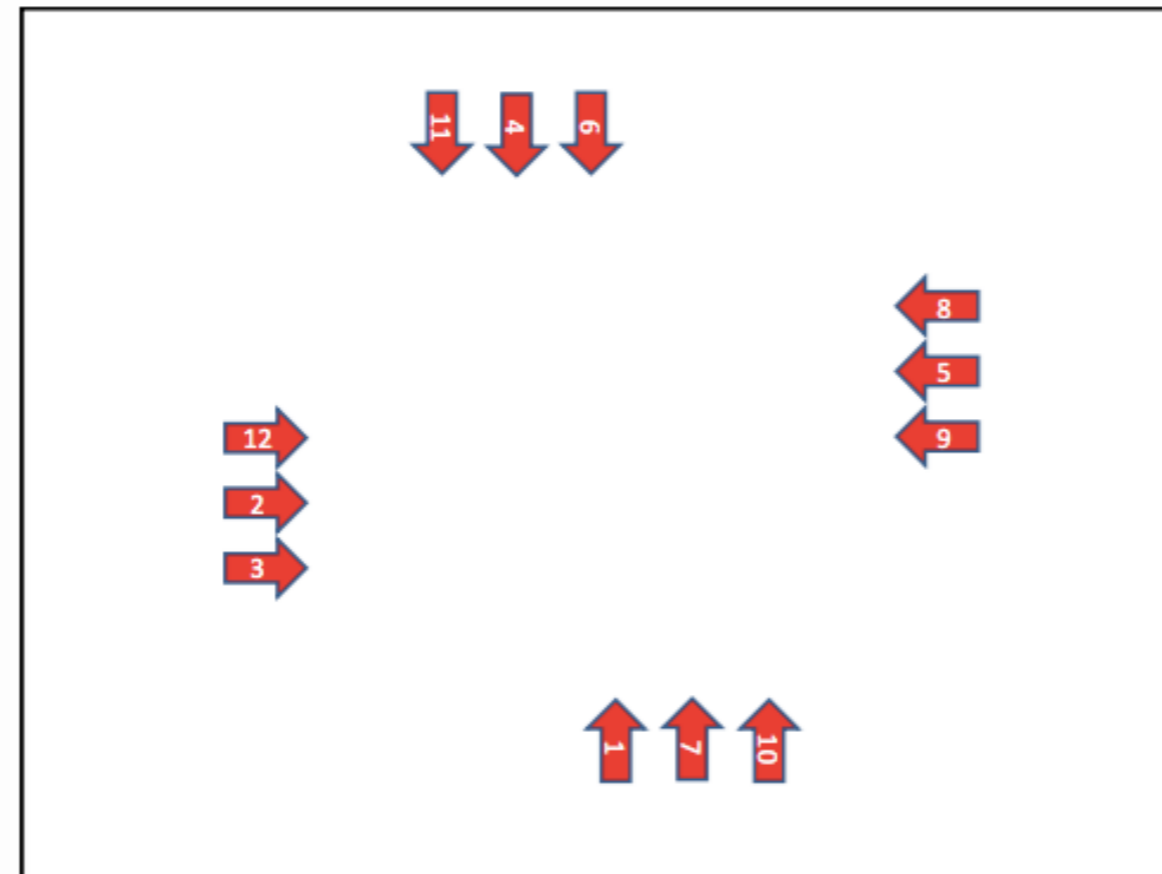

All horse spin
around 360*

All horse spin
around 360*

All horse spin
around 360* to
form another 4
spoke pinwheel

4 Spoke
Pinwheel

4 Spoke
Pinwheel

4 Spoke Pinwheel

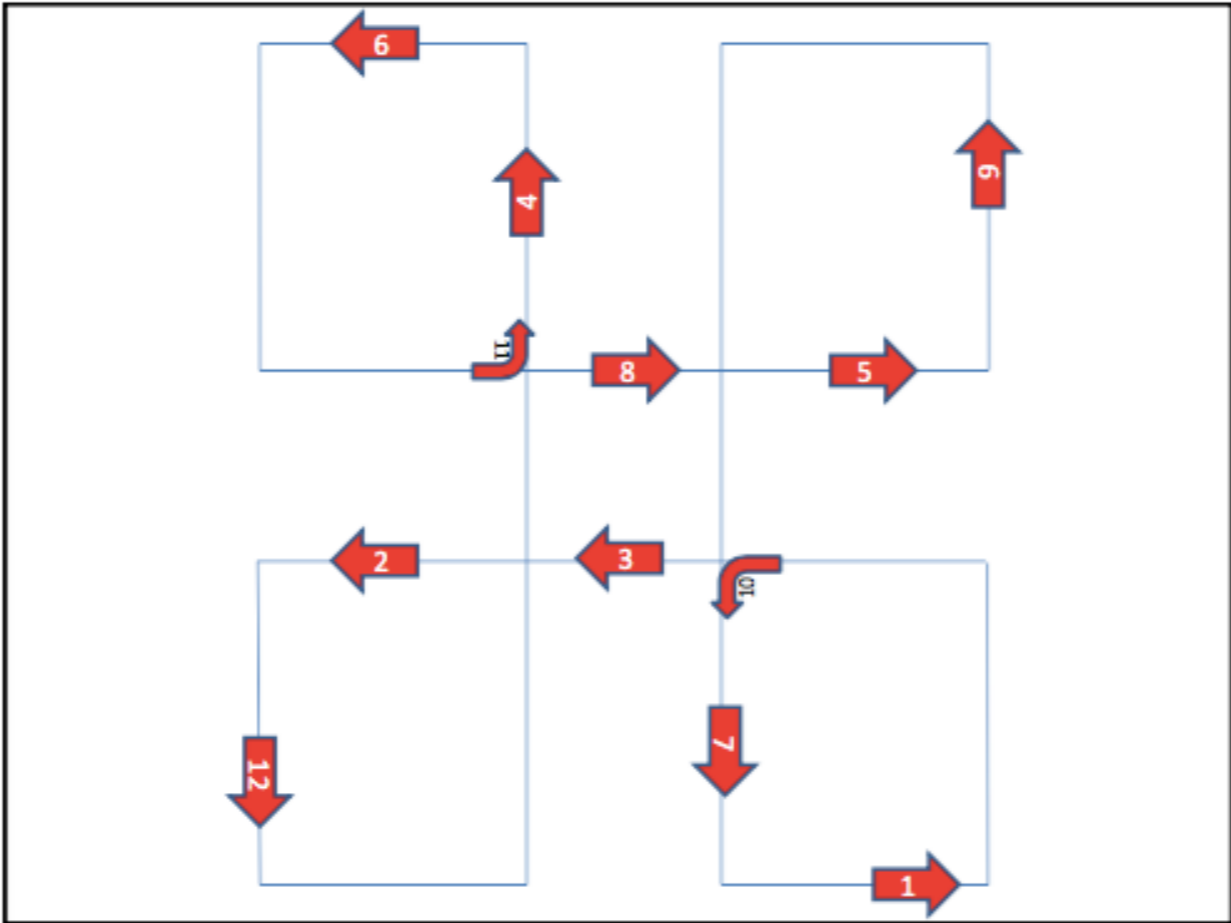

All horses turn out
of the 4 Spoke
Pinwheel following
the outside horse
in their line to the
corners

Once lines reach the centerline, every other horse turns on

Start boxes, every other horse from the line takes turns turning left first or continuing to go straight

Boxes

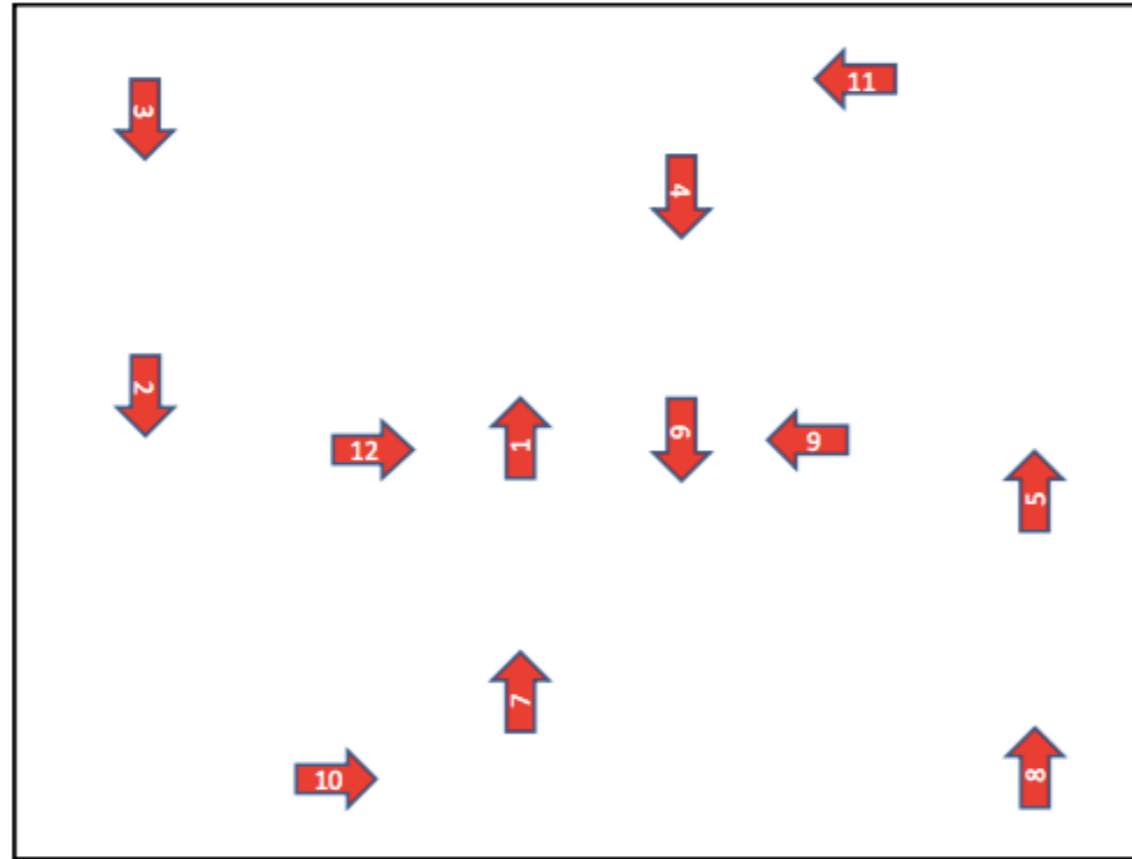

Boxes

Boxes

Leave Boxes by forming a single file line, every other horse.

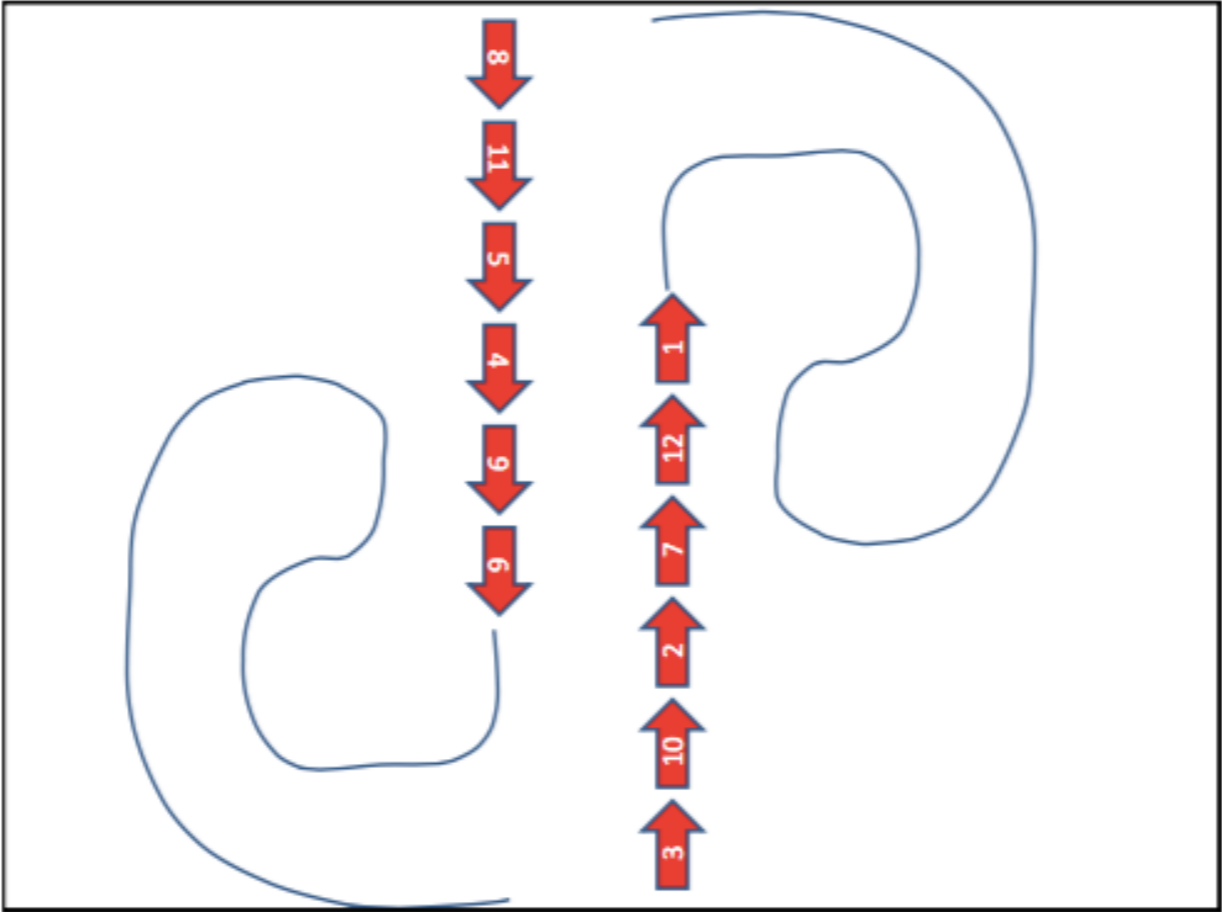

Leave boxes
and follow the
leader in your
single file lines

Follow the leader

Follow your
leaders to do a
double ribbon
candy

Double Ribbon
Candy, make
sure to not cut
your turns!!!

Passing lines

Passing lines

Pair up with the corresponding horse on the line next to you. Go down the centerline

JETs salute as we exit the arena
